

Village of Saukville Newsletter

Fall 2012 Edition

FROM THE VILLAGE PRESIDENT...

Hello!

Well, we certainly can't complain about this summer if "hot" is what we like! The sweltering weather took its toll on our yards and they are just coming back to green in time for our kids to go back to school. The 4th of July has come and gone. It's time to settle in for the approaching and always beautiful fall and winter.

I'm hoping all of our eligible citizens exercised their right to vote in the August 14th election. Let's not get too comfy though because it's imperative that we also vote in the Presidential election on Tuesday, November 6th. In many cases, decisions made at the Federal (and State) level affect the local level ... not always in a positive way! Please join me at the polls at Feith Family Ozaukee YMCA on Tuesday, November 6th, and voice your opinion on the way you want government to be managed.

While you're out and about, I hope you spend a few minutes checking out new businesses and organizations in Saukville: Sass Accounting (221 East Green Bay Avenue), Golden Pearls (138 South Foster Drive), C3 Electronix (414 West Dekora Street), Mad Max, Inc. (725 North Progress Drive) and Carroll Converting, LLC (700 North Progress Drive). In addition, Johnson Brass has added a new building which is located in the Business Park. Charter Steel and Jeneil Biotech are adding to their existing buildings. Feith Family Ozaukee YMCA has added an Archery Range to their many offerings. Saukville is growing ... and the growth is diverse and well planned!!!

Please know that the Village is in constant contact with the Wisconsin Department of Transportation evaluating the Highway 33 upgrade; the safety issues relating to driving there and progress which must be forthcoming to keep drivers safe in all situations and all places. I ask you to keep in mind these enhancements, once completed, will make all of our lives easier! And most important, please be cautious as you pass through the construction area.

The Village's celebration of the 4th of July was excellent. What a great day ... sunny and warm. We were entertained by an excellent parade and then offered music, amusements and food at Grady Park in the afternoon. Later in the day, we moved to Peninsula Park to enjoy more food and music. Saukville Sno-seekers and the 4th of July Committee did an outstanding job all day. My sincere thanks to all who helped make this a memorable 4th!

I'd be very remiss if I didn't take this opportunity to offer a sincere THANK YOU to our local businesses who provided Saukville with another year of July 4th fireworks. We had a wonderful crowd ... our own residents and people from other communities. I have no doubt they will be back! Hats off to the following:

Charter Manufacturing, Inc., Tendick Family Foundation Fund, Saukville Chamber of Commerce, Port Washington State Bank, Injectec, Blau's Saukville Meats LLC, Beck's Green Bay Avenue Mart, Kohler Credit Union, Saukville American Legion, P.D. Peterka and Associates, Inc., and Loyal Order of Moose-Saukville.

Of course, I'd like to add a big THANK YOU to Bartolotta Fireworks Company as they did an excellent job in providing our own local "big bang". We do look forward to next year!

Our "Live at the Triangle" Wednesday free music events continue to be enjoyed by many. We offered six events this year ... all having a motorcycle/car show. Folks keep coming up with ideas on how to make these events better and we keep listening. Thanks to all who help make "Live at the Triangle" the place to be for free music and an evening of family fun. We hope to offer this series again next year ... with some new music and new ideas!

Our Sunday Farmers' Markets started out really slow but picked up as produce became readily available. If you haven't checked this venue out, I suggest you do so. The offerings are wonderful and freshly picked. There are also a few vendors who sell fresh flowers as well as craft items. Farmers' Markets will be offered through the end of October.

National Night Out, which was celebrated this year on Tuesday night, August 14th, was very well attended and it makes me proud to say that Saukville is the area host. Police and Fire and Rescue units from our area all came here to show us how they do their work and how we can live safely. One of the best parts of this event was the landing and viewing of the Flight for Life helicopter. In addition, free food and drink was provided to all in attendance during the evening.

Very soon our Village Board and Management Staff will begin the 2013 budget process. We always start with a tour of the Village facilities so that Department Heads can give us a firsthand view of their operations and an explanation of items requested in the budget. This tour gives us the ability to make informed choices. We know the choices we make today will last into and impact future generations. Keeping that thought paramount in our minds, we try always to make these financial decisions very carefully.

I want to take a moment to recognize the 33 years of service given to the Village of Saukville by Utility Superintendent Gerald Dickmann who retired this past July. Jerry's vision for the growth of the Utility Department was always "a cut above" and their accomplishments under his guidance are many. We wish Jerry well as he enjoys his deserved years of retirement knowing he led Utility in such a manner that the staff there is prepared to move this department forward and continue Utility's past success.

That's all for now. I look forward to seeing you at the Saukville Village-wide Rummage Sale, Saturday, September 8th; the Saukville Fire Department-Pleasant Valley Auto Show, Sunday, September 9th; the Memorial Service for the victims of 9-11 at 7:00 p.m. on Tuesday, September 11th and the Chamber's 2012 Saukville Scare 5K Run/Walk at 9:00 a.m. on October 27th.

In Service,

Barb

6:00 p.m. - Veteran's Park/Saukville Elementary School

VILLAGE'S TRASH & RECYCLING SERVICE

- Roll out trash and recycle carts are provided to residential households by Veolia Environmental Services
- Collection - every Thursday (Friday when a holiday falls M-Th that week)
- Carts must be placed curbside **by 7:00 a.m.** on pick-up day. Carts must face the street as indicated by the arrow, be fully accessible, and be placed side by side with a minimum of three feet of space between carts and/or obstacles.
- Recycle Collection - alternate Thursdays - collection dates can be found on the Village website, Time Warner Cable Access Channel 25, at Village Hall and Oscar Grady Library.
- All recyclable materials can be placed in the same recycle cart.
- Any trash or recyclable materials placed curbside in any container other than the carts will not be collected.
- Carts are the property of Veolia and must remain at the residence should you move.

Large Item Pick-up Service: You must arrange for special pick-up by Veolia or take items to the Veolia *drop-off site at 803 North River Road, West Bend*. There is a fee for large item disposal. Contact Veolia directly (1-800-387-0949) for prices and information.

Electronic devices cannot be disposed of in your household trash cart. These devices include, but are not limited to:

- Computers, monitors, printers and peripherals
- Televisions, video screens, telephones with video displays
- Fax machines and photocopiers
- VCR & DVD players

The nearest collection center for disposal of these items is Veolia ES Technical Solutions, 1275 Mineral Springs Drive, Port Washington.

Hours: Mondays - 8:00 a.m. - 5:00 p.m.; 262-243-8998

There will be a fee charged for electronics disposal.

WEEKLY E-NEWSLETTER & TRI-ANNUAL NEWSLETTER

Sign up for the weekly e-Newsletter "**Saukville Says**" and receive local news via email every Friday containing timely and pertinent information for the upcoming week. Simply sign up on the home-page of the Village website in person at Village Hall or Oscar Grady Library.

The full Village Newsletter is published seasonally. All newsletters are published online at www.village.saukville.wi.us. You can also pick up a copy of any current newsletter at Village Hall or Oscar Grady Library during regular business hours.

FARMERS MARKET

Find fresh, locally grown produce and plants, as well as hand made arts and crafts at the downtown Saukville Farmers Market. This community event is held **every Sunday, 9:00 a.m. – 1:00 p.m., at Veterans Park through October 28th**. Visit the market and discover the wonderful products being offered by local growers and artisans.

SAUKVILLE SCARE 5K RUN/WALK

Do the Halloween Hustle! The Saukville Chamber of Commerce will hold their annual 5K Run/Walk on **Saturday, October 27th at Grady Park**. Registration begins at 8:30 a.m. with the event starting promptly at 9:00 p.m. Pets are welcome. Costumes are encouraged! The day will include Halloween themed fun such as costumed runners and a pumpkin pancake breakfast. Our goal is to make our race enjoyable for everyone from the most competitive runners to casual athletes; to families who want to go out for a stroll; to Halloween buffs who come for the costumes. For more information on pre-registration and this event, please contact the Chamber office at 262-268-1970.

FALL BACK!

Daylight Savings Time ends November 4th. Remember to "Fall Back" and change your clocks back one hour. Also remember to replace the batteries in your smoke and carbon monoxide detectors.

PERMIT & INSPECTION SERVICES

All building, electrical, and plumbing permit and inspection services for the Village of Saukville are now administered by the Village of Grafton Inspection Department. Permit forms will continue to be available at Saukville Village Hall and on our website, but all questions, permit processing, and inspection services will be handled by the Village of Grafton Inspection Department, located at 860 Badger Circle, Grafton. For information contact them at 262-375-5305 or check out the [Village of Grafton Inspection Dept.](http://Village of Grafton Inspection Dept. website) website.

The Village of Saukville will continue to administer permits and inspections as required for **SIGNS, FENCES, COMMERCIAL CODE COMPLIANCE (Change of Use), RIGHT OF WAY, SPECIAL EVENT, & RECREATIONAL BURNING.**

Residents and businesses are reminded that a permit is required before any construction work is begun.

Voter
Registration
Required

2012 PRESIDENTIAL ELECTION
WILL BE HELD AT THE SAUKVILLE FEITH FAMILY YMCA
Tuesday, November 6, 2012

NOTE: New residents, name changes, and address changes will require a new registration form.

To avoid registration lines at the poles, please consider registering in advance at Village Hall by 5:00 p.m. October 17th.

IN PERSON ABSENTEE VOTING - Begins Monday, October 22nd.
Ends 5:00 p.m. Friday, November 2nd.

VILLAGE MEETING SCHEDULE OFFICIAL POSTING PLACES:

Village Hall, Oscar Grady Library, Port Washington State Bank - Saukville Branch
Check our website or Channel 25 for up-to-date information on Village meetings, services and events.
All meetings are open to the public.

Thank You....

A big "THANK YOU" to the businesses, individuals, and organizations that donated to the following community events - you helped make these events a HUGE success!

July 4th Festivities and Fireworks: Port Washington State Bank, Kohler Credit Union, Harris Bank, Charter Steel, Pope Scientific, GMF-Tendick, Arkema, Village Sno-Seekers, Saukville Lions Club, Saukville Chamber of Commerce, Papa Murphy's, Jeniel Biotech, Blau's Meats, P.D. Peterka, Cramer Coil, Mark Vey - American Family Ins., River's Edge, Riverview Inn, Gene Fransee, Piggly Wiggly, Lakeshore Baseball, Rep. Duey Stroebel, PWHS Dance Team, Saukville Police Department, Saukville Police Auxiliary, Village of Saukville DPW and July 4th Committee, Room Tax, and citizen donations.

Live at the Triangle: Associated Bank, Ozaukee Press, Village Sno-Seekers, Columbia St. Mary's, Port Washington/Saukville Rotary Club, Saukville Chamber of Commerce, Aislelogic, Messina Restaurant, Saukville Lions Club, Veolia Environmental Services, Pleasant Valley Auto Body, HOLESHOT Customs, Lakeland Cartage Inc., Statewide Septic, GALS, Sass Accounting LLC, Schenck SC - CPAs and So Much More, and the Firehouse Restaurant.

National Night Out: Target Stores, American Family Insurance, Beck's Green Bay Ave. Mart, Charter Manufacturing, Cramer Coil, EVS, Eddie's Service, Great Wide Trucking, Injectec, P.D. Peterka, PW/S Rotary Club, Protanic, Saukville Lions Club, Saukville Chamber of Commerce, PW State Bank, Piggly Wiggly, Lighthouse Florist, J'Sport's Bar, Railroad Station, and the fantastic volunteers who volunteered their time and talents.

Police Reserves:
A special "thank you" to our Saukville Police Reserves. These unpaid citizen volunteers donate their time at many of our Village events. We thank our Police Reserves for being there to help keep our Saukville events safe and secure.

The PW-Saukville School District, the Village of Saukville, and the City of Port Washington are united in an exciting program developed to promote character within the community. **CHARACTER COUNTS!@**, a national initiative in partnership with schools, communities, businesses, and community organizations, strengthens young lives through character education. The **Six Pillars of Character** include these values which transcend divisions of race, creed, politics, and wealth: **Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship**. Please do your part to model these values to youth in our community "everywhere...all the time."

CHARACTER COUNTS!@ Week is October 21-27, 2012. Every year the U.S. President, U.S. Senate, state governors, and officials around the world proclaim the third week in October CHARACTER COUNTS!@ Week. We will name our 2012 CHARACTER COUNTS!@ Citizens of the Year during this event. Please check back in the fall for details regarding events planned.

The **CHARACTER COUNTS!@ Community** organization is always looking for partners in our vision for universal values. If you would like additional information or want to get involved in this initiative, please contact your local Police Department or Municipal Administrator.

Visit : www.village.saukville.wi.us
Character Counts link for more information.

Dept. of Public Works

649 South Main Street
(262) 284-0545

CURBSIDE CHIPPING

- Curbside branch chipping runs **every Monday through October 29th**. 3" maximum branch diameter.
- Cut ends facing the street. Place in parkway (area between the sidewalk and curb). No stumps or compost.
- Pick-up starts at 6:30 a.m. on Mondays. The crew will make only one pass per side of the street per chipping event.
- DO NOT place branches on the sidewalk or street where they would interfere with pedestrians or vehicle traffic.
- DO NOT place branches at curbside sooner than the preceding weekend.
- Limit of 20 minutes per address (duplexes considered a single address) after which a \$25 fee will be charged to the property owner for each additional 20 minutes at the owner's request.

YARD WASTE (COMPOST) DISPOSAL

- Includes garden waste, leaves, lawn rakings and small tree or bush stumps.
- Bring to the Compost Disposal Site at the Public Works Garage.
- VILLAGE RESIDENTS ONLY. Proof of residency may be requested.
- DO NOT put lawn clippings or garden waste in the street.
- NO BRANCHES/BRUSH drop-off at the compost site.
- Dates and hours of operation are listed below.

STREET TREES

COMPOST DROP-OFF SITE HOURS

DPW Garage - 649 South Main Street

Through Nov. 17, 2012 • Village Residents Only

Saturdays Only

9:00 a.m. - 3:00 p.m.

- Street trees are those trees planted and maintained by the Village in the street parkways (between the sidewalk and curb).
- Homeowners are urged not to attempt pruning the trees and to use care with string trimmers around the base. Contact the DPW if your tree needs attention.
- Please DO NOT plant any personal trees in the parkway unless approved by the Public Works Superintendent.
- Trees are not sign posts. DO NOT attach objects with nails, staples, screws, wire or rope. This may injure or kill the tree.
- Persons who intentionally damage, kill or remove street trees are liable for their replacement. On average, a new street tree costs from \$250-\$350.
- **Homeowners can help by watering newly planted trees for the first few years until the tree becomes established especially during dry conditions (5 gallons of water/ week.)**
- Street trees are replaced on a rotating basis. Not all dead or damaged trees can be replaced in one season. They will be replaced as soon as possible.
- The Village of Saukville is a 24-year member of Tree City USA, a national organization that recognizes communities for their efforts to expand and improve their urban forest inventories.

LEAF COLLECTION

- Curbside leaf collection runs **October 1st through November 30th**. No guaranteed or scheduled pick-up.
- Leaf piles must be curbside with **no brush or plant materials** in the piles.
- Residents are encouraged to bring all organic material to the DPW Compost Disposal Site by November 17th.

HOUSEHOLD HAZARDOUS MATERIALS DISPOSAL

Household hazardous materials are typically comprised of paints, pesticides, waste fuel, anti-freeze, typical household cleaners, and electronic devices - including but not limited to computers, monitors, printers, TVs, video screens, fax machines, photocopiers, VCRs and DVDs. These items must NOT be placed in the trash. Please take them to the Ozaukee County Hazardous Waste Collection Site. Fees will be charged on a per pound/per item basis.

1275 Mineral Springs Drive, Port Washington

Hours: Mondays - 8:00 a.m. - 5:00 p.m.

HHW Info Line: 262-243-8998

Emergency Management

PREPARING MAKES SENSE!

Research conducted by Wisconsin Emergency Management shows that only around 20% of Wisconsin residents have made preparations for emergencies.

Do any of these excuses sound familiar:

- The odds of having a serious emergency here are slim to none.
- It's the job of emergency services to take care of us.
- If the emergency is really serious, there won't be anything we can do anyway.

Wisconsin Emergency Management and its Ready-Wisconsin Emergency Preparedness Program encourage everyone to join us on Facebook, follow us on Twitter, read our blog, and join our e-mail list to learn about disaster preparedness and current information about disasters and emergencies. Information provided includes:

- Breaking news alerts on emergencies and disasters as they happen. We send you situation reports and other important information from the State Emergency Operations Center.
- Severe Weather Alerts: Through our ReadyWarn System, we send Severe Thunderstorm Warnings as well as Tornado Watches and Warnings for the entire state of Wisconsin to your Facebook and Twitter account. These alerts can save your life and are especially helpful if you access Facebook and Twitter on a mobile device.
- Emergency Preparedness Information: We provide tips and information for a variety of natural disasters and man-made events. Learn what to do and where to go to keep your family safe.
- Press Releases: Keep up to date on emergency management programs and initiatives.

To access any of these resources and for additional information visit our website at: www.ready.gov.

AS THE SNOW FALLS...

The Village of Saukville Public Works Department reminds all Village property owners that resident cooperation is essential to the success of winter snow removal operations.

Residents can help in the following areas:

- **Trash/Recycling Cart Placement:** Cart must be placed with lid opening toward the street at the back of curb or shoulder, with a minimum of 3 feet between cart(s) or other obstructions.
- **Utilize your driveway or clear an area along the side of your driveway to safely place your recycling and refuse container.** Maintaining proper clearances as shown above will make it safer and easier for collection personnel and automated equipment to efficiently empty your containers.

- **Do NOT shovel or blow snow into the street.** This creates a hazardous condition for motorists and may require return trips by the snowplow to clear the street. In addition, State Statutes and Village Ordinances prohibit this action and doing so may result in a fine.
- **Shovel snow to the right hand side of your driveway as you face the street.** This helps to reduce the amount of snow pushed into your driveway by snowplows clearing snow from the street.
- **Move parked vehicles off of the streets prior to snowfall events.** Parked cars are a hindrance to snow removal operations requiring more time and costly return trips to effectively clear the streets. Residents are asked to move their vehicles off the street whenever snow accumulations are forecasted.
- **Remove sidewalk snow to the front yard instead of the area between the sidewalk and the curb.** This provides more snow storage capacity between the sidewalk and the curb for snow removed from the street.
- **Check the condition of your mailbox and post.** In most cases, a strong post and secure mailbox will withstand the impact of snow coming off of the snowplow.
- **Shovel snow from around your fire hydrant.** Residents are asked to clear snow away from fire hydrants located near your property. This effort helps the Fire Department and the Water Utility to manage the water supply system and to quickly respond to emergencies.
- **Stay at least 100 feet back from a snowplow in operation of plowing or salting streets.** This is for your and the plow drivers safety.

Thank you for your assistance in the success of our winter snow removal operations.

FIRE HYDRANT FLUSHING

The Saukville Water Department will be flushing hydrants throughout the Village between 8:30 a.m. and 2:30 p.m. **October 15th through October 20th.** There may be some discoloration in your water during this process. This is iron and is not harmful. We recommend that you do not do laundry if your water is discolored. If you forget and your clothes have a reddish appearance, **DO NOT DRY THE CLOTHES**; rather rewash in cold water to remove the discoloration. Running the tap for a short period of time will clear the lines after the flushing is completed.

HIGH WATER BILLS AND WATER LEAKS IN HOMES

Your water bills are determined by Saukville Water Utility staff reading your water meter. When your water bill becomes higher than normal, there is usually a leak in your home. 95% of all leaks are toilets and most times you cannot hear the leak. We recommend that you check your toilets every 6 months to make sure they are not leaking. Place a drop of natural food coloring in the tank - do not flush. Check it in 20 minutes. If color appears in the bowl, it is leaking water. The toilet most likely leaking is the toilet rarely used. This is also a good time to operate all of your valves in your home and to start reading your meter weekly to make sure you have no leaks and that you are only billed for the water you use.

MEDICATIONS

Please do not discard old medications by flushing them down the toilet or throwing them in the trash. Save them in their original containers in a safe place. You can drop them in the Med-Return Collection box located in the lobby of the Village of Saukville Police Department, Monday through Friday during normal business hours, for proper disposal.

UTILITY BILLING PAYMENT OPTION

The Village offers a credit card payment option for payment of utility bills. You can pay in person at Village Hall to utilize this service or use a secure link through the Village website (there is a charge for the website service). Also available is **automatic withdrawal** from your checking or savings account. Your quarterly payment can be deducted automatically from your selected account on the 25th of the billing month. Go to www.village.saukville.wi.us to download the form to sign up for automatic payment. Avoid the hassle of writing checks and worrying about late fees by signing up for auto pay today!

PLUGGED SANITARY SEWER LATERAL

If you find water standing in your basement, stop using water in your house immediately. Then watch the height of the water on the basement floor. It should stop coming up and should stay the same or go down slowly. This indicates that you have a plugged sanitary sewer lateral that leads to the main sanitary sewer line and you should call a plumber immediately. Remember that low flow 1.3 gallon per flush toilets have very little water to flush the solids out through the lines. Be careful what you try to flush down your sanitary sewer line. A lot of paper product in your toilet requires a lot of water to move it along. If you have questions, please contact the Saukville Wastewater Plant at 284-3185.

WHAT is a Cross CONNECTION?

A cross connection is a direct or potential connection between any part of the public water supply system and a source of contamination or pollution. The most common form of cross connection is a garden hose, which is easily connected to the public water supply system and can be used to apply a variety of potentially dangerous substances, including chemicals and fertilizer. Other common cross connections include dishwashers, toilets, pressure washers, boilers, pools, and lawn sprinkler systems.

In order to reduce overall costs for compliance with DNR Regulation NR810.15, the Village of Saukville Water Utility has contracted with Hydro Designs, Inc. (HDI) of New Berlin, Wisconsin to assist in managing our Cross Connection Control program.

HDI will send notices to, and will begin initial inspections of residential, commercial, and industrial buildings throughout the Village to detect actual and potential cross connections and make recommendations for the installation of backflow prevention devices or assemblies where necessary. There is no fee for the inspection, however, all costs associated with the replacement, modification, installation and/or testing of backflow prevention assemblies is the obligation of the property owner. Inspections takes less than 45 minutes on average for a business and less than 20 minutes for a home. This will help ensure that contaminated or polluted water cannot backflow into clean drinking water.

SUMP PUMPS

Remember to check your sump pump and make sure it is hooked up correctly to the discharge lateral and **not** to the sanitary sewer system. Per Village Ordinance, it is illegal to hook-up or discharge storm or clear water into the Village's sanitary sewer lines. Since all discharges to the sanitary sewer end up at the treatment plant, this creates additional problems to properly process the wastewater for eventual discharge to the river.

COLD WEATHER TIPS - PROTECT YOUR PLUMBING!

It's ironic, but homes in mild winter climates are especially vulnerable to frozen pipes. Why? Because they tend to have plumbing in exterior walls, attics, crawl spaces, and other unheated or unprotected areas. All it takes to freeze the pipe is a cold snap that drops the outside temperature below 20 degrees. If pipes are at risk in mild climates, it is not difficult to imagine what can happen in more frigid zones. When water freezes inside a pipe, it creates a blockage that causes pressure to rise. The pressure builds up and the pipe blows. Play it safe and follow some simple tips for keeping water pipes warm and cozy:

- Wrap pipes with foam or fiberglass insulation.
- Seal openings in exterior walls where cold air can get to unprotected pipes.
- Disconnect garden hoses and place insulated covers over outdoor faucets. Better yet, install inside shut-off valves for outdoor faucets and drain water from pipes.
- Leave cabinet doors open to let warmer room air get to the pipes under kitchen and bath sinks.

Oscar Grady Library

www.oscargradylibrary.org

151 South Main Street (262) 284-6022
M-Th - 10:00 a.m.-8:00 p.m.; Fri. - 10:00 a.m.-5:00 p.m.,
Sat. - 10:00 a.m.-2:00 p.m.

ADULT BOOK DISCUSSIONS

All teens and adults are invited one Tuesday evening of each month to meet others in the community who share their love of books and discuss selected popular fiction and non-fiction titles. Beginning this fall, we will also have a Wednesday morning discussion for each title. New faces are always welcome!

Tuesday, Sept. 18th at 6:30 p.m. & Wednesday, Sept. 19th at 10:30 a.m. – *The Bluest Eye* by Toni Morrison

Tuesday, Oct. 16th at 6:30 p.m. & Wednesday, Oct. 17th at 10:30 a.m. – *Miss Peregrine's Home for Peculiar Children* by Ransom Riggs

Tuesday, Nov. 20th at 6:30 p.m. & Wednesday, Nov. 21st at 10:30 a.m. – *Drowning Ruth* by Christina Schwarz

Tuesday, Dec. 18th at 6:30 p.m. & Wednesday, Dec. 19th at 10:30 a.m. – *The Christmas Train* by David Baldacci

USING ONLINE HEALTH RECORDS

How much do you know about using personal electronic health records? Medical Librarian Amy Donahue from the Grafton Aurora Medical Center will introduce community members to the many benefits of this growing hospital trend on Tuesday, September 25th at 6:00 p.m. In this 30 minute class you will learn how to view medical history & test results, contact physicians, schedule appointments, refill prescriptions, pay medical bills, and research health conditions and medications online! Please register for this event at the circulation desk or by phone (262) 284-6022.

COMMUNITY BABY SHOWER - Friday, October 5th at 2:00 p.m.

For all new or soon-to-be moms! Meet other new moms in the community while learning what the library has to offer for families with young children. A lactation consultant from Aurora Medical Center in Grafton will be available to answer your questions on becoming a new mom and the library will purchase one book for our collection to welcome your new baby! Please register for this event at the circulation desk or by phone (262) 284-6022.

HEALING WITH GEMSTONES

Penny Seidl, Reiki Master of Crystal-Haven Body, Mind & Spirit, will be teaching classes at the library on whole body wellness through the use of crystals on Saturday, September 29th at 10:00 am and Friday, December 21st at 2:00 pm. In this class, she will describe how gem stones have been used for over 5,000 years for healing qualities and energy balancing and show several of the unique gems, fossils and minerals that can be found right in Ozaukee County! This class is free, open to all ages and registration is not required.

TEEN HALLOWEEN EVENTS

Get into the Halloween spirit at noon on **Saturday, October 6th** for a showing of Tim Burton's *Dark Shadows*, starring Johnny Depp as a vampire. This movie is rated PG-13.

All teens are also encouraged to get creative and participate in our Teen Read Week pumpkin decorating contest. Entry forms will be available at the library and on the teen page of our website beginning October 15th and pumpkins may be dropped off at the library October 22nd – 26th. We will have the public vote for the best deco-

rated pumpkin at our annual Halloween party on the 26th and the winner will be awarded a \$20 Marcus Theatres gift card! Participants need not be present at the party to win.

INTRO TO GOOGLE DOCS

If you have ever wondered how to easily save and transfer documents online, this class is for you! Google Docs' free web-based documents, spreadsheets and presentations can be stored on the internet and accessed from anywhere, also allowing multiple users to view and edit a document. In this class, you will learn how to open a free Google Docs account and create, save, edit and send a document without the use of a flash drive or disc. Basic computer/internet skills are required. Please register for either the 10:30 am session on Wednesday, November 14th or the 6:30 pm session on Thursday, November 15th, as space is limited.

ALL ABOUT PINTEREST

Learn how to connect with others online through pictures of the things you find interesting! Pinterest users can browse other users' pin boards for inspiration, 'like' things that others have pinned or re-pin images to their own collections as a fun way of sharing ideas, interests, hobbies, DIY projects, and more! In this class, you will learn how to set up, organize and categorize your own collection, and find new ideas through other users' pins. Pinterest is very fun and easy to use, but some basic computer/internet skills are required. Please register for either the 6:30 pm session on Thursday, November 8th or the 10:30 am session on Saturday, November 10th, as space is limited.

CHILDREN'S EVENTS

FALL STORY-TIME - Tuesdays @ 10:30 a.m.

Come and enjoy a weekly story-time filled with rhymes, songs, dancing and, of course, stories especially designed for preschoolers ages 2-4 years old. The fun begins September 18th and runs through November 6th. Registration starts Monday, September 4th.

EVENING STORY-TIME - Wednesdays @ 6:30 p.m.

Can't make story-times on Tuesday mornings? Join us for themed stories, songs, and rhymes before heading to bed! Evening Story-time begins September 19th and runs through November 7th. Registration starts Monday, September 4th during library hours.

FAMILY MOVIES @ THE LIBRARY

The library will show the new movie release, *The Lorax*, on Tuesday September 18th, at 1:00 p.m. in the Community Room. What a great way to spend an early release school day! Children may bring a light snack and drink. The movies are free and new releases are shown throughout the year, especially on early release or no school days!

ANNUAL HALLOWEEN PARTY – Friday October 26th at 6:15 p.m.

It's that time of year again to put on your favorite costume and join us for some **SPOOKTACULAR** Halloween fun! Refreshments and treats will also be provided. Doors will open at 6:00 p.m.

Saukville Police Dept.

649 East Green Bay Avenue (262) 284-0444
www.village.saukville.wi.us

LICENSE PLATE/VEHICLE REGISTRATION

Saukville Police Department services include:

- Issues license plates for passenger vehicles, including cars, trucks, and motorcycles.
- Renews vehicle registrations. There is an additional cost for this service, but registration will be done on the spot. This service is offered Monday - Friday from 8:00 a.m. - 5:30 p.m.
- Information Required: Signed title, release of lien paperwork (if applicable), and identification.
- Salvage Vehicle Inspections - done by appointment only.
- If you would like more information, please call the Police Dept. 8:00 a.m. to 5:30 p.m., Monday - Friday.

BATTERY/CELL PHONE RECYCLING

The Police Department accepts rechargeable batteries and used cell phones for recycling. We accept batteries from cell phones, cameras, power tools, computers and toys to include the following rechargeable battery types: Nickel Cadmium, Nickel Metal Hydride, Lithium Ion and small sealed lead batteries. Call the Saukville Police Department for more information.

MEDICINE/PRESCRIPTION DROP-OFF

The Saukville Police Department has a Prescription Med-Return Collection Unit located in the lobby of the P.D. building at 649 E. Green Bay Ave. Residents can drop unwanted or expired prescriptions and patches in the drop unit Monday through Friday during regular business hours for proper disposal.

Accepted:

Prescription Meds.
Patches
Prescription Ointments

NOT Accepted:

Needles (Sharps)
Thermometers
Aerosol Cans
Meds from businesses/clinics
Liquid Medications
Inhalers

WINTER PARKING RESTRICTIONS

No person shall park any vehicle for more than 30 minutes on any street in the Village of Saukville between the hours of 2:00 and 7:00 a.m. from December 1, 2012 through April 1, 2013.

CURFEW ORDINANCE

The Village has an 11:00 p.m. curfew for minors under the age of 16 years. Parents will be held accountable for any vandalism that their children do to Village property.

Saukville Fire Dept.

520 West Dekora Street
(262) 284-5800 (non-emergency)

The Saukville Fire Department would like to thank residents for honoring and abiding by the recent "No Burning" directive. We realize that it may have curbed the outdoor summertime fun, but due to the extremely dry conditions, there was no other choice. We prefer to err on the side of caution in these circumstances.

We also want to thank residents for being diligent about back-yard fires after the ban was lifted. Village ordinance requires that residents wishing to use a portable or in-ground fire pit obtain a Burn Permit from Village Hall. In-ground fire pits require approval by the Fire Chief prior to a permit being issued. Barbeque grills (charcoal and gas) are not allowed on balconies or on porches with a roof above them.

UP-COMING EVENTS:

September 9, 2012 - Annual Pleasant Valley Auto/Saukville Fire Department Car/Truck/Motorcycle Show in Grady Park, 8:00 a.m. - 5:00 p.m. Admission free.

September 11, 2012 - 9/11 Commemorative Memorial Silent March starting at 7:00 p.m. from the Saukville Fire House proceeding to Grady Park. A memorial ceremony follows. March line-up begins at 6:30 p.m.

October 6, 2012 - Fire Prevention Week Open House at the Saukville Fire Department, 11:00 a.m. - 3:00 p.m. Watch for more details as the event approaches. This is the week to learn about smoke and carbon monoxide detectors. Be sure to change the batteries in your alarms every six months and test these devices to be sure they are working properly.

October 18, 2012 - The Saukville Fire Dept. in conjunction with Safe Kids of SE Wisconsin and Messina's Restaurant will be delivering "Fire Prevention & Pizza". Look for more information to come home with your kids from school.

COME JOIN OUR TEAM & BE A PART OF YOUR COMMUNITY!

The Saukville Fire Department is currently seeking volunteers. If you are interested in serving your community as an EMT or firefighter, consider becoming a part of our team. Schooling and training is provided. To apply, you must be over the age of 18, have a high school diploma or GED, be a resident of the Saukville Fire Department protection area or work within the Village and be able to leave work to answer calls. Applications are available at Village Hall or on the Village website. Call the Saukville Fire Dept. at 262-284-5800 with any questions and leave message. We are especially in need of people available to work during the day.

REMEMBER TO CHECK THE BATTERIES IN YOUR SMOKE DETECTORS AND ALARMS. EVEN IF THEY ARE HARD WIRED, THERE IS A BATTERY BACKUP.

VILLAGE PRESIDENT'S OFFICE HOURS

Barb Dickmann is available to the public at the Village Municipal Center by appointment.

Call Village Hall at 262-284-9423
Ext. 1219 to set up an appointment.
