

The Village of Saukville

Spring/Summer 2015

From the Village President...

Dear Friends,

At last we are living with the joys of Daylight Savings Time ... our days are longer ... and spring is in the air. It wasn't that we had a lot of snow ... only a lot of cold. However, before we enjoy the sights and sounds of summer in Wisconsin, let's take a few minutes to review the growth and development of our fine Village in 2014.

As you know from past years, each January I present a State of the Village address to the Saukville Chamber of Commerce and invited guests. This year, it was important to share the fact that many of the projects currently happening in Saukville are of the multi-year variety ... some of which will actually be completed in 2015. Below is a brief synopsis of that talk highlighting the reasons it's great to live and work in Saukville.

A discussion of Village Government started the presentation. During 2014 the Village's CDA as well as its Plan Commission held a joint meeting to discuss how we, as a community, want to be perceived in the business community. We learned that Saukville now has a wonderful Business Directory as well as a functional Economic Profile document. Both of these items are valuable tools for use in promoting Saukville within the broker community. Discussions will continue ... all with a goal of creating a digital marketing piece explaining the benefits of doing business in Saukville.

Information was then offered about the restructuring that took place within Village Government and the savings benefits offered to taxpayers. We were able to eliminate one position, promote from within, and continue to offer the services you have come to expect from us. This is an ongoing process.

Getting into the actual business growth of Saukville, Camping World was the first highlighted business. They are doing very well on the corner of HWY 43 and HWY 33 and can't be missed if for no other reason than their beautiful American flag. We look forward to a long and satisfying relationship with Camping World in Saukville.

Cleaning Plus has moved their offices into Conservancy Court. They do residential and carpet cleaning and offer a wonderful guarantee for the work done. Commerce State Bank has opened a Loan Production Office in Saukville. This branch opening is a result of growth driven by strong loan demand.

One of the larger industries in our Business Park is Jeneil Biotech and they have seen more growth in recent years. In 2013, they were given approval for a 44,815 sq. ft. addition to their facility. In 2014, they applied for another addition for a storage platform for compressors and air tanks that is needed to support new equipment in the previously approved addition. Jeneil also added four new processing tanks to handle increased business.

As you all know, Piggy Wiggly has moved into the former Pick 'n Save location and is having great success with the move. Their goal was to grow the meat and produce departments. Additionally, there are now more organic offerings.

Saukville is now home to two photography studios. Now It's Personal has moved from the Veterans Park area to 1084 South Main Street and Pose Photography is housed in the small white building at 900 East Green Bay Avenue. These two businesses complement each other well and should be very successful here.

Work has begun on the Kwik Trip site with a late summer opening anticipated. Kwik Trip will bring us a convenience store, fueling stations, and a car wash. They are working with the Village to market the out lot North of their site for further development.

Very soon construction will also start on the O'Reilly Auto Parts building across HWY 33 from Schmit Bros. Auto. They anticipate opening later in the summer of 2015 as well.

There you have it ... a synopsis of 2014 and highlights of coming attractions for 2015. Please understand that any growth opportunities offered to Saukville are carefully scrutinized by our various governmental committees and the Village Board. Decisions are always based on the best interests of the Village as a whole as well as balanced and sustainable growth.

The Village, in cooperation with Ozaukee Economic Development, offered our Third Annual Business Forum the first week of March. A number of business and industry representatives met at Oldenburg Metal Tech, learned about the company, had a great tour, and then networked among themselves in an effort to have our local businesses share services and growth in their respective business segments. This meeting is always information filled, well attended, and it is amazing to learn how much of the world is actually affected by the work done in Saukville. We look forward to offering another Business Forum in 2016.

Please remember to vote in the April 7, 2015, election. You will be able to cast your ballot for three Village Trustee positions, as well as the position of Village President. Please know your vote will have meaning!

In closing, feel free to contact me at any time with questions, suggestions, or concerns. I can be reached at 262-284-9423 and at bdickmann@village.saukville.wi.us

Have a wonderful spring and hope to see you at the great Saukville summer activities!

In service,

Barb

SIREN TESTING

The Village warning siren system is tested at 1:00 p.m. the first Friday of each month from April to November, weather conditions permitting. These tests are to ensure that the system is ready to go when it is needed.

Get your family and home ready for a tornado with the official [Tornado App](#) from the American Red Cross. This app puts everything you need to know to prepare for a tornado in the palm of your hand. It also sounds an alarm when NOAA issues a tornado warning for your location, even when the app is closed. Learn more about the Tornado App and download it now at <http://www.redcross.org/mobile-apps/tornado-app>

TORNADO & SEVERE WEATHER AWARENESS WEEK APRIL 13 - 17, 2015

Tornado and Severe Weather Awareness Week is a good time to go over the plans you have made to ensure the safety of your family when severe weather strikes. A **Statewide Tornado Drill is planned for Thursday, April 16th**. A mock tornado watch will be issued statewide by the National Weather Service at 1:00 p.m. followed by a statewide tornado warning at 1:45 p.m. If there is a threat of severe weather in Wisconsin on Thursday, the drill will be postponed until Friday, April, 17th. The drill will go on in all other

conditions including non-severe weather (clouds, rain, dark sky, scattered thunderstorms, etc.). If severe weather occurs on Friday, the drill will be cancelled. The Village will sound the warning sirens for this drill when the tornado warning is received.

COMMUNITY PREPAREDNESS DAY

The time to prepare for a disaster or emergency is before it happens. Whether a tornado, winter storm, power outage, or wild fire, it's important to have the knowledge and tools necessary to successfully navigate a disaster or emergency situation.

Individuals and families living in Ozaukee County are invited to the **Community Preparedness Day, Saturday, May 2nd from 10:00 a.m. to noon at the Feith Family Ozaukee YMCA, 465 Northwoods Road in Saukville.**

Those attending can build emergency kits with donated supplies, develop a family emergency plan, and learn about local, regional and state resources. Attendees will also have the opportunity to view the Ozaukee County Incident Command vehicles, fire trucks, ambulances, and more! Attendees can also enter a drawing to win a free weather radio.

This event is sponsored by Aurora Medical Center in Grafton, Columbia St. Mary's Hospital Ozaukee, Ozaukee County Emergency Management, Ozaukee County Public Health Dept. and the YMCA.

BUSINESS GROWTH & OUTREACH 2015

Saukville 3rd Annual Business Forum:

On March 4th, the Village of Saukville, in partnership with Ozaukee County Economic Development, hosted its 3rd Annual Business Forum. The event was held at the Oldenburg Metal Tech Manufacturing building. The program provided those in attendance with updates on economic development activities in the Village, Workforce Programs for employers, and Loan Programs available through the Village, Ozaukee County, and Wisconsin Economic Development Corp. The business forum continues to be an excellent opportunity for area businesses to connect.

Another Forum will be held in 2016.

New Business Moving or Expanding in Saukville:

Pose Photography, 900 E. Green Bay
Now It's Personal Photography, expanding to S. 1084 Main Street
Aaron Miller, *Farmers Insurance*, S. Foster Drive
Piggly Wiggly expanded into former Pick n Save building.
KWIK Trip - Spring Construction

Land Available in the Business Park, Dekora Woods Blvd.:

Four (4) parcels, 13 acres, 9 acres, 3 acres and 23 acres. Larger parcels can be split into smaller parcels.

Village of Saukville Business Development Loan Program:

The Village continues to partner with Port Washington State Bank to offer a loan program for business development and revitalization. Loan proceeds can be utilized to fund a wide variety of commercial projects ranging from tenant build-outs to renovations, expansions or real estate purchases for the business. To date the Loan Program has provided over \$265,000 in low interest loans to area businesses for expansion, interior updates, safety equipment, and new equipment and real estate purchases.

YARD WASTE (COMPOST) DISPOSAL

How do you get rid of garden waste, leaves, and lawn rakings from your spring yard clean-up? Wisconsin DNR strongly recommends that these materials NOT be placed in the street at any time. Place them in bags, buckets, or other suitable containers and bring them to the compost drop-off site at the Department of Public Works yard.

CURBSIDE CHIPPING

The Village chipping crew will begin touring the Village **starting April 13th and continuing every Monday through November 2nd** (excluding holiday weeks). Please stack branches (3" maximum diameter) neatly on the parkway (area between the sidewalk and curb), with cut ends facing the street, by 6:30 a.m. on Monday mornings. **DO NOT** place branches on the sidewalk or street. **DO NOT** place branches curbside sooner than the immediately preceding weekend. We **DO NOT** chip tree stumps. The chipping crew is limited to 20 minutes per address, after which a **\$50.00** fee is charged for each additional 20 minutes at the property owner's request. We will make only one pass per street side per chipping event. There will be **NO BRUSH DROP-OFF** accepted at the Compost Site.

DEFECTIVE SIDEWALKS

If you know of any sidewalk section in need of repair, please report it to Village Hall. The Village allocates funds each year to address the priority problems which mostly involve tripping hazards greater than a 3/4" offset. Damage due to street trees is not charged to the homeowner. Most tripping edges are saw cut by a contract service. Sunken sections at a house utility trench are a lower priority and are the homeowners financial responsibility to make repairs.

HOUSEHOLD HAZARDOUS MATERIALS DISPOSAL

Household hazardous materials are typically comprised of paints, pesticides, waste fuel, anti-freeze, and typical household cleaners. These materials must **NOT** be placed in the trash. They can be taken to the Ozaukee County Hazardous Waste Collection Site. Fees will be charged on a per pound basis.

2015 BRANCH CHIPPING

The Wood Chipper will tour the Village to chip brush/branches **ONLY**

EVERY MONDAY - April 13th thru November 2nd

(no chipping during holiday weeks)

Branches must be curbside by 6:30 a.m. Monday mornings; 3" max. diameter - cut ends facing street.
No Stumps/No Compost; 20 minute time limit per address applies.

Due to the curbside branch chipping collection service, the Village DPW has a surplus of woodchips.

- Residents can pick up woodchips at the DPW yard waste site at 649 S. Main St. during compost open hours on Saturdays. Bring your own containers and pitch fork/shovel - tools and containers are not provided.
- The DPW will deliver only full truck loads (3-5 yards) of chips to residential addresses and will not come back to pick up any unused woodchips. Call the DPW at 284-0545 to arrange delivery.

2015 LEAF COLLECTION - October 1st thru November 30th, as time/weather permit.

How Do I Dispose of....??

How often have you cleaned out the basement or garage and found yourself looking at items you didn't know what to do with - old tires, a broken lawnmower, car parts, auto batteries, waste oil, clothes, to name a few? The local waste hauler will not accept many of these items. Don't despair; there are inexpensive and locally available means to get of this stuff without much hassle either!

Vehicles and auto parts (lead acid batteries, sheet metal, motors, transmissions, etc.) - local scrap dealers. Some may pay for the item(s).

Waste Oil - County Highway Dept. drop-off site at 410 Spring Street, Port Washington (284-8331). Some of the local automotive service centers will also take it. OIL CANNOT BE CONTAMINATED WITH ANTI-FREEZE, SOLVENTS, OR OTHER VOLATILE FLUIDS.

Tires - local automotive service centers. Most will charge a nominal fee.

Furniture, bedding - if it is clean and in good shape, resale St. Vincent de Paul or Goodwill shops may accept the items. Otherwise, arrange for a special pickup with Advanced Disposal (800-387-0949) or haul to their site at 803 North River Road, West Bend. A fee will be charged for special pick-up.

The Village of Saukville also provides a clean-up dumpster each spring - the last two Saturdays of April and the first Saturday of May for these type items. This is for Village residents only.

Electronics - Veolia ES Technical Solutions LLC at 1275 Mineral Springs Drive in Port Washington will accept most of these items. Call them at 262-243-8998 for more information.

The Village of Saukville typically provides an electronics dumpster in conjunction with the spring clean up dumpster the first Saturday in May. This is a one-day event open to Village residents only.

Household Hazardous Waste – kitchen and bathroom, garage and workshop, home and garden products – can be taken to the Ozaukee Co. Hazardous Waste Collection Site at 1275 Mineral Springs Dr., Port Washington. This site is open on Mondays only. Call 262-243-8998 for more information.

White Goods or other “recyclables” – local scrap dealers such as Port Recycling, 782 Schmitz Dr., Port Washington Call 262-284-4060 for more information.

Untreated, clean lumber - cut up and place in cart or burn in fire place or wood stove. Remove nails or hardware.

Treated lumber, railroad ties, and lumber containing creosote - call waste hauler such as Advanced Disposal to arrange for dumpster or pickup.

Clothing and other apparel - Check with local churches or charities that accept donation or St. Vincent de Paul or Goodwill.

Rechargeable tool and cell phone batteries (Ni-CaD, Nickel Metal Hydride) . Call the Saukville Police Dept. at 262-284-0444.

Remember... Dumping oil, anti-freeze, solvents, cleaners, paint, fuel, and other solids or liquids in storm sewers is ILLEGAL and can lead to substantial fines and jail time.

TRASH-RECYCLING SERVICES PROVIDED BY ADVANCED DISPOSAL

Trash and Recycling **collection day** for the Village of Saukville is **Thursday** - Friday on weeks when a Federally-recognized holiday falls Monday-Thursday and all municipal facilities are also closed. The following rules apply:

- Roll-out carts must be used. Any trash or recyclables placed curbside in any container other than the carts will not be collected.
- Carts must be placed curbside **by 7:00 a.m.** on pick-up day. Carts must face the street as indicated by the arrow, be fully accessible, and be placed side by side with a minimum of three feet of space between carts and/or obstacles.
- Recycle Collection - alternate Thursdays - collection dates can be found on the Village website, Time Warner Cable Access Channel 25, at Village Hall and Oscar Grady Library.
- All recyclables can be placed in the same recycle cart.
- Carts are the property of Advanced Disposal and must remain at the property should you move.
- Electronic devices, such as computers, monitors, printers, TVs, Fax machines, photocopiers, VCR & DVD players, cannot be disposed of in your household trash cart.
- Large Item Pick-up Service: You must arrange for special pick-up or take items to the *drop-off site at 803 North River Road, West Bend*. There is a fee for large item disposal. Contact Advanced Disposal directly (800-387-0949) for prices and information.

FIRE HYDRANT FLUSHING

The Saukville Water Department will be flushing hydrants throughout the Village Monday-Thursday between 8:00 a.m. and 3:00 p.m. **April 27th through April 30th and May 4th through May 7th.** There may be some discoloration in your water during this process. This is iron and is not harmful. We recommend that you do not do laundry if your water is discolored. If you forget and your clothes have a reddish appearance, **DO NOT DRY THE CLOTHES**; rather rewash in cold water to remove the discoloration. Running the tap for a short period of time will clear the lines after the flushing in your area is completed.

CROSS CONNECTION CONTROL PROGRAM

The Village's Cross Connection Inspection Program, managed by Hydro Corp Inc. (HCI), has resumed for 2015. A cross connection is a direct or potential connection between any part of the public water supply system and a source of contamination or pollution, i.e.: garden hose, dish washer, toilets, pools, lawn sprinklers. This action is necessary in order to reduce overall costs for compliance with DNR Regulation NR810.15. Hydro Corp will be contacting homeowners and businesses to arrange an inspection. There is no cost for this inspection. Each inspection takes less than 20 minutes on average for a home inspection and 45 minutes for a business.

PAYMENT OPTIONS

Online Option: Go to the website - www.officialpayments.com - click on Local; Wisconsin; Saukville, Village of; utility payment; then enter amount of payment and required information. There is a convenience fee of 2.75% for credit card use and a flat fee of \$2.75 for e-checks.

Automatic Withdrawal from Checking or Savings Account: Your quarterly payment can be deducted automatically from your selected account on the 25th of the billing month at no additional charge. Go to the Village website (Village Services tab) to download a form to sign up for automatic withdrawal. A payment plan can also be arranged if necessary. Contact Village Hall for more info.

"SMALL" LEAKS CAN LEAD TO BIG WATER BILLS

"Leaks can account for, on average, 10,000 gallons of water wasted in the home every year - enough to fill a backyard swimming pool." (source: U.S. Environmental Protection Agency)

Each person uses about 80-100 gallons of water per day, according to the U.S. Geological Survey. If you can avoid wasting some of it through common leaks, you can save money while doing something "green" for the environment. Most common leaks are easily repaired. If you're not particularly handy yourself, you can call a plumber - it will be worth the expense in future water use savings.

Here are some tips on finding leaks:

- Check your water meter before and after a two-hour period when no water is being used. If the meter does not read exactly the same, you probably have a leak.
- Place a drop of food coloring in all toilet tanks. If the color shows up in the bowl within 20 minutes without flushing, you have a leak in the tank. Leaks in toilets can double, or even triple, overall water consumption by wasting thousands of gallons a month. Leak detection kits are also available at Village Hall

IT'S A TOILET, NOT A TRASHCAN - WHAT NOT TO FLUSH

People sometimes view the toilet as an auxiliary wastebasket - an easy place to dump all kinds of things and make them disappear with the push of a handle. Unfortunately, many of the items that often end up in the toilet can cause significant clogging problems, not only in your home's plumbing but also for the Village's sewer system and Wastewater Treatment Plant (WWTP) processes.

There are only two things that can be safely flushed down the toilet - human waste and toilet paper. Any other item has the potential to clog up the system, regardless of how easily it appears to flush.

Common items that are often flushed that **SHOULD NOT BE** are:

- Wet Wipes (baby wipes, disinfecting wipes, flushable wipes)
- Facial Tissue
- Feminine Hygiene Products
- Cotton Swabs
- Dental Floss
- Grease

Often these items do not even make it past the lateral connection from your home to the sewer system, building up and clogging the line. If these products make it to the street, they can still plug up and damage the pipes and pumps that convey sewage to the WWTP, potentially causing overflows and basement backups that can be costly to repair. If those products make it to the WWTP, they can also jam up equipment there.

To help protect the investment we all have in our homes, the municipal sanitary sewer system and the Village's WWTP, please dispose anything other than toilet paper or human waste in the garbage, not the toilet.

NOTE: Pharmaceuticals and prescription drugs also should never be flushed down the toilet or thrown in the garbage. When put down the drain, pharmaceuticals can seep back into the drinking water supply and be harmful to fish and wildlife. Wastewater treatment facilities are not designed to remove these contaminants. Local (Saukville Police Dept.) and county drop-off sites are available to safely dispose unused/unwanted drugs and pharmaceuticals. Contact your local authorities for information and guidelines.

FRIENDS OF THE LIBRARY USED BOOK SALE

Back by popular demand - The Friends of the Oscar Grady Library will be hosting their annual book sale in the community room May 5th-9th, during regular library hours. The book sale will include hardcover books, paperbacks, children's books, and movies. All proceeds benefit the library in support of programming for all ages. Visit our website to learn about becoming a Friend of the Library.

CHILDREN'S PROGRAMS

Children's Movies @ Your Library

Join us for showings of newly-released movies in the Community Room. The movies are free and are shown throughout the year, especially on early release or no school days! Stop in or visit our website for movie titles, dates, and times.

Library Lego Lab

Every 2nd Wednesday of the month through August, 3:30-4:30 p.m. Does your child love to build with Legos? If so, the Library Lego Lab is the place to join other Lego fans and see what he/she can dream up! We'll provide all the Legos, lab members bring their imagination. The Library Lego Lab is open to children ages seven and older and registration is not required.

Culver's Coloring Contest

The Oscar Grady Public Library, along with Culver's Restaurant, is celebrating National Library Week for a whole month! During April, children ages 11 and under can pick up a coloring sheet from the library and draw a picture about their favorite book. It can be a character, event, scene or anything they liked about the book. When the drawing is returned to the library, the child will receive a certificate for a free single scoop of Culver's frozen custard and be entered in a drawing for a chance to win an additional prize. All coloring sheets must be turned in by April 30th and will be displayed in the library. Sheets are available in the Children's Department.

1,000 Books Before Kindergarten

This free and ongoing early literacy program encourages families and caregivers to read 1,000 books aloud with their young children before they enter kindergarten. Any child from birth until he/she starts kindergarten is eligible to register. Reading together helps your child develop important pre-reading skills that provide a solid reading foundation – a key to scholastic and learning success. Stop by the Children's Dept. today to sign your child up!

Toddler & Preschool Dance Party

Tuesday, May 26th, 10:30-11:00 a.m.

Children and their caregivers are invited to get their groove on at the library. Dance the morning away with your child during this action-filled program to encourage boogieing and books! Though this program is designed for the ages of 2-5, siblings are welcome. Feel free to bring a water bottle. No registration required.

Summer Reading Program - June 8th - August 1st

It's a bird! It's a plane! It's the Oscar Grady Public Library's Summer Reading Program! This summer's reading program theme is *Every Hero Has a Story* for children ages up to eleven and *Escape the Ordinary* for teens and adults. The calendar is jam-packed with amazing activities, including a variety of special programs, story-times, book discussion groups, weekly movies, recipe clubs, and more. Make reading your super power as the library offers incentives throughout the program to promote reading during the summer! Calendars and further information will be available at the library and on our website.

TEEN AND ADULT PROGRAMS

Adult Book Discussions

April: The Mockingbird Next Door by Marja Mills

May: The Invention of Wings by Sue Monk Kidd

June: Longbourn by Jo Baker

July: The Bones of Paris by Laurie R. King

Recipe Club

Are you looking for ideas on what to prepare for meals? Join us the first Tuesday of each month from 6-7:00 p.m. as we test out fun new recipes. The library's recipe club is looking for members. It is a great way to share and learn from others while testing out new foods. Bring a sample of something that goes with the specific theme of the month and a copy of the recipe to share with the group. Pre-registration is requested for the group by phone or at the circulation desk. More information is available on our website www.oscargradylibrary.org.

Teen Card Club

Every Saturday the card club meets 11:00-1:45 p.m. for informal card playing, movies, and socialization. Gaming skills are not required and the members love to teach their games to others. Meetings take place in the community room.

LICENSE PLATES - VEHICLE REGISTRATION - SALVAGE VEHICLE INSPECTIONS

The Saukville Police Department issues license plates and vehicle registration for passenger cars, trucks, and motorcycles. Service is available Monday - Friday from 8:00 a.m. to 6:00 p.m. Registration requirements: signed title, release of lien paperwork (if applicable), and identification. Salvage vehicle inspections are done by appointment only. For more information, please call the Saukville Police Department at 284-0444.

MED-RETURN COLLECTION UNIT

Please do not discard old medications by flushing them down the toilet or throwing them in the trash. Save them in their original containers in a safe place. Bring them to the Saukville Police Department for proper disposal in the Med-Return Collection box, Monday through Friday during normal business hours. Call the Police Dept. for guidelines on what is accepted for drop-off.

CURFEW ORDINANCE

The Village of Saukville has an 11:00 p.m. curfew for minors under the age of 16 years. Parents will be held accountable for any vandalism that their children do to Village property. Please know where your children are and urge them to obey the Curfew Law.

BICYCLE LICENSING

For a \$3.00 fee, the Police Department will issue a non-expiring bicycle license. Pick up a registration form at the Police Department. Village Ordinance requires all bicycles operated on Village streets, alleys, or public highways be licensed.

BECOME A MEMBER OF THE POLICE RESERVES

The Village of Saukville Police Dept. is seeking dedicated individuals to become part of our [Police Reserves](#) team. For more information, call the Saukville P.D. at 284-0444.

SAUKVILLE POLICE DEPARTMENT HAS JOINED THE WISCONSIN CRIME ALERT NETWORK (WCAN).

WCAN quickly alerts residents about crime or criminal activity that may affect them, in the form of emails, faxes, or text messages. For more information and to register for this service, please visit the WCAN website at www.wisconsincrimealert.gov or call the Crime Alert Network office at 608-240-3597.

Remember to join us for **National Night Out** on **Tuesday, August 11th** at Grady Park. Watch for more details.

RECREATIONAL BURNING

As spring turns into summer the Saukville Fire Department would once again like to remind all Village residents to obey Village Ordinances regarding residential recreational burning. Violators may receive a citation and/or bill for fire department services if we respond to complaints of illegal burning.

Residential Burning Ordinances:

§101-17 B(1)(a) Cooking grills designed and sized for normal residential outdoor use will not be permitted to be used or stored above the first story of any building, including on a balcony, raised porch or platform. If you have a grill on a balcony please remove it.

§101-17 B (1)(e) Recreational campfires in a covered or approved container or device requires written permit from the Fire Chief. Permits are available at the Village office during normal business hours. Recreational campfire devices are not allowed on combustible (wooden) decks. In-ground fire pits must be pre-approved by the Fire Chief.

Open Burn Permits can be obtained at Village Hall for a \$15 lifetime fee. Permit applications can be found on the Village Website under the Your Government tab.

VOLUNTEER FIRE FIGHTERS AND EMTS WANTED

We are always looking for quality individuals who wish to serve their community as a paid, on call Fire Fighter or EMT. If you are interested, please stop at the fire house on any Monday night between 6:30-7:00 p.m. The application can also be found on the Village website, or you can pick one up at Village Hall. Questions? Call the Fire Dept. at 284-5800 - leave a message there if no one is available.

MARK YOUR CALENDAR FOR THESE FIRE DEPT. EVENT DATES:

August 15: Annual Pleasant Valley Auto/Saukville Fire Poker Run
September 13: Annual Pleasant Valley Auto Body/Saukville Fire Department Car Show in Grady Park
October 4-10: Annual Fire Prevention Week
October 10: Saukville Fire Dept. Open House

Have a happy and safe summer.
