

The Village of Saukville

Spring/Summer 2016

From the Village President...

Dear Friends,

It's always wonderful to see the first robin and know spring is around the corner. I usually take this time to do some reflection on the previous year to share the exciting things happening in Saukville. This information comes from my annual State of the Village address presented to our local Chamber members and invited guests.

Below is a synopsis of that chronological speech which, as always, highlights the reasons it is great to grow, live, work, and play in Saukville:

The Village's 2015 Budget was passed with a .347% decrease in total levy. However, the Village's assessed valuation decreased by 6.26% which resulted in a final tax rate increase of .277%.

Super 8 Motel changed ownership and now is now "leaving the light on" as Motel 6. The new owner is remodeling and upgrading the interior of the rooms.

The Village, in cooperation with Ozaukee Economic Development, offered our Third Annual Business Forum the first week of March. A number of business and industry representatives met at Oldenburg Metal Tech, learned about the company and networked to share services and growth in their respective business segments.

Oscar Grady Library is now home to a free Digital Media Conversion Lab which allows patrons to convert old photos and family movies to computer friendly formats.

The Village, with the excellent help of Kate Pawasarat, former Community Development Educator, Ozaukee County UW-Extension, has created a Saukville Commercial Opportunities map that offers information on available business sites surrounding the I43/SH33 intersection.

P. D. Peterka & Associates, Inc., now assembles and packages product in an additional 5,000 sq. ft. building at 450 North Progress Drive. They will continue operations at their other location as well.

Protanic has expanded with a new building for storage and light assembly to accommodate their growing business. This additional building adds \$250,000 in value to our Business Park.

The Village's CDA/IRC sold 13 acres to our existing business, Calibre, Inc. It is their intention to create a campus-like atmosphere which will include an additional building.

New to Saukville, Engineered Exhaust Systems has purchased nine acres in our Business Park and is constructing a 62,500 sq. ft. building valued at \$3 million for warehouse and office space. Rebel (Carroll) Converting has built an addition for staging product valued at \$250,000.

The Why Be Dry tavern has a new owner and is now called Rally Time Sports Bar. Saukville Plumbing was purchased by builder, Rick Crivello, and will be used as office and storage space.

After an efficient construction period, Kwik Trip had a formal Grand Opening and Ribbon Cutting ceremony where four generations of owners spoke of their mission and service to guests and community.

Injectec is growing in Saukville. They have built an expansion to their existing building valued at over \$1 million.

O'Reilly Auto Parts moved into their new building in Saukville this past summer. O'Reilly is the third-largest auto parts chain in USA.

The Village's Utility Department began work on Well #6 located in our Business Park. It will be completed in 2016. We anticipate pumping 1,000 gallons per minute at peak capacity.

Speaking of upgrades, the sidewalk in Veterans Park was reconstructed in fall featuring new ADA pads and high-quality low-maintenance material. The Village's Department of Public Works did the demolition prior to installation and will do landscaping completion this spring. Also, a new table donated by the "Talk of the Town" Saukville Newspaper was installed in Veterans Park.

October 17, 2015, was the date chosen to celebrate the 100th birthday of the Village of Saukville. We enjoyed the festivities at our own Oscar Grady Library. Village leadership, our Police and Fire Departments, and the Landt-Thiel American Legion Post 470 and Auxiliary sponsored this event. John and Jim Peterson were honored for their valuable contribution of Saukville's historical records. All of these donated documents will be copied into digital format for use by anyone interested.

Lakeshore ATA, LLC, moved from Port Washington due to a need for a larger space and room to grow. This Taekwondo studio offers mat space, changing rooms, and bathroom facilities.

The Village Plan Commission changed the definition of the word "family" in our code which was the first step in Saukville being home to Ozaukee County's first Sober House.

Wow!! It's still exciting to review 2015 one more time!! As stated in past years, decisions for these growth changes are based on the best interests of the Village as a whole creating balanced and sustainable growth.

In closing, please remember to vote on April 5, 2016. Your vote always has meaning!! Have a great spring and I hope to see each of you at Saukville's awesome family-friendly summer activities.

In service,

Barb

Emergency Management - Severe Weather Info.

SIREN TESTING

The Village warning siren system is tested at 1:00 p.m. the first Friday of each month from April to November, weather conditions permitting. These tests are to ensure that the system is ready to go when it is needed. Improvements to the warning siren system are planned this summer. This will require additional testing during the week. Announcements of planned testing will be posted on our website and in the "Saukville Says" weekly e-newsletter.

(clouds, rain, dark sky, scattered thunderstorms, etc.). If severe weather occurs on Friday, the drill will be cancelled. The Village will sound the warning sirens for this drill when the tornado warning is received.

TORNADO & SEVERE WEATHER AWARENESS WEEK APRIL 11 - 15, 2016

According to the National Weather Service, Wisconsin averages 23 tornadoes annually. Tornado and Severe Weather Awareness Week is a good time to go over the plans you have made to ensure the safety of your family when severe weather strikes.

A Statewide Tornado Drill is planned for Thursday, April 14th.

A mock tornado watch will be issued statewide by the National Weather Service at 1:00 p.m. followed by a statewide tornado warning at 1:45 p.m. Most TV and radio stations will issue these test warnings. If there is a threat of severe weather in Wisconsin on Thursday, the drill will be postponed until Friday, April, 15th. The drill will go on in all other conditions including non-severe weather

COMMUNITY PREPAREDNESS DAY

The time to prepare for a disaster or emergency is before it happens. Whether a tornado, winter storm, power outage, or wild fire, it's important to have the knowledge and tools necessary to successfully navigate a disaster or emergency situation.

Individuals and families living in Ozaukee County are invited to the **Community Preparedness Day, Saturday, May 7th from 10:00 a.m. to noon at the Feith Family Ozaukee YMCA, 465 Northwoods Road in Saukville.**

Those attending can build emergency kits with donated supplies, develop a family emergency plan, and learn about local, regional and state resources. Attendees will also have the opportunity to view the Ozaukee County Incident Command vehicles, fire trucks, ambulances, and more! Attendees can also enter a drawing to win a free weather radio.

This event is sponsored by the Port Washington-Saukville Rotary Club, Aurora Medical Center in Grafton, Columbia St. Mary's Hospital Ozaukee, Ozaukee County Emergency Management, Ozaukee County Public Health Dept., and the YMCA.

YARD WASTE (COMPOST) DISPOSAL

How do you get rid of garden waste, leaves, and lawn rakings from your spring yard clean-up? Wisconsin DNR strongly recommends that these materials NOT be placed in the street at any time. Place them in bags, buckets, or other suitable containers and bring them to the compost drop-off site at the Department of Public Works yard.

CURBSIDE CHIPPING

The Village chipper will tour the Village on **Mondays, April 11th through October 31st**, (excluding holiday weeks).

Please observe the following rules:

- Stack branches (3" maximum diameter) neatly on the parkway (area between the sidewalk and curb), with cut ends facing the street, by 6:30 a.m. on Monday mornings.

- DO NOT place branches on the sidewalk or street.
- DO NOT place branches curbside sooner than the immediately preceding weekend. We DO NOT chip tree stumps.
- The chipping crew is limited to 20 minutes per address, after which a \$50.00 fee is charged for each additional 20 minutes at the property owner's request.
- We will make only one pass per street side per chipping event.
- BRUSH/BRANCHES ARE NOT accepted at the Compost Site.
- **The property owner or occupant is responsible for removal/disposal of larger limbs and for full tree removal.**

DEFECTIVE SIDEWALKS

If you know of any sidewalk section in need of repair, please report it to Village Hall. The Village allocates funds each year to address the priority problems which mostly involve tripping hazards greater than a 3/4" offset. Damage due to street trees is not charged to the homeowner. Most tripping edges are saw cut by a contract service. Sunken sections at a house utility trench are a lower priority and are the homeowners financial responsibility to make repairs. Contact the DPW for more information.

HOUSEHOLD HAZARDOUS MATERIALS DISPOSAL

Household hazardous materials are typically comprised of paints, pesticides, waste fuel, anti-freeze, and typical household cleaners. These materials must NOT be placed in the trash or poured down storm and sewer drains. They can be

2016 BRANCH CHIPPING

The Wood Chipper will tour the Village to chip brush/branches **ONLY**

EVERY MONDAY - April 11th thru October 31st

(no chipping during holiday weeks)

Branches must be curbside by 6:30 a.m. Monday mornings; 3" max. diameter - cut ends facing street.

No Stumps/No Compost; 20 minute time limit per address applies.

Due to the curbside branch chipping collection service, the Village DPW has a surplus of woodchips.

- Residents can pick up woodchips at the DPW yard waste site at 649 S. Main St. during compost open hours on Saturdays. Bring your own containers and pitch fork/shovel - tools and containers are not provided.
- The DPW will deliver only full truck loads (3-5 yards) of chips to residential addresses and will not come back to pick up any unused woodchips. Call the DPW at 284-0545 to arrange delivery.

2016 LEAF COLLECTION - October 3rd thru December 2nd - as time/weather permit.

How Do I Dispose of....??

How often have you cleaned out the basement or garage and found yourself looking at items you didn't know what to do with - old tires, a broken lawnmower, car parts, auto batteries, waste oil, clothes, to name a few? The local waste hauler will not accept many of these items. Don't despair; there are still means available to get of this stuff, although a small fee may be required.

White Goods - Drop-off site located at the Village of Saukville DPW, 649 S. Main St. Available Saturdays only during regular Compost Site schedule. Village residents only. Drop off unwanted white goods - air conditioners, dehumidifiers, dishwashers, washers/dryers, microwaves, ovens/ranges/stoves, refrigerators, freezers, & water heaters. No home pick-up is available.

- White Goods or other "recyclables" – local scrap dealers such as Port Recycling, 782 Schmitz Dr., Port Washington
Call 262-284-4060 for more information.

Furniture, bedding - if it is clean and in good shape, resale stores - St. Vincent de Paul or Goodwill - may accept the items. Otherwise, arrange for a special pickup with Advanced Disposal (800-387-0949) or haul to their site at 803 North River Road, West Bend. A fee will be charged for special pick-up.

- The Village of Saukville also provides a clean-up dumpster each spring - the last two Saturdays of April and the first Saturday of May for these type items. This is for Village residents only.

Electronics - Veolia ES Technical Solutions LLC at 1275 Mineral Springs Drive in Port Washington may accept some of these items. Call them at 262-243-8998 for more information. Or contact Advanced Disposal (800-387-0949) for special pick-up or take items to the *drop-off site at 803 North River Road, West Bend*. There is a fee for large item disposal.

Household Hazardous Waste – kitchen and bathroom, garage and workshop, home and garden products – can be taken to the Ozaukee Co. Hazardous Waste Collection Site at 1275 Mineral Springs Dr., Port Washington. This site is open on Mondays only. Call 262-243-8998 for more information.

Waste Oil - County Highway Dept. drop-off site at 410 Spring Street, Port Washington (284-8331). Some of the local automotive service centers will also take it. **OIL CANNOT BE CONTAMINATED WITH ANTI-FREEZE, SOLVENTS, OR OTHER VOLATILE FLUIDS.**

Tires - local automotive service centers. Most will charge a nominal fee.

Vehicles and auto parts (lead acid batteries, sheet metal, motors, transmissions, etc.) - local scrap dealers. Some may pay for the item(s).

Untreated, clean lumber - cut up and place in cart or burn in fire place or wood stove. Remove nails or hardware.

Treated lumber, railroad ties, and lumber containing creosote - call waste hauler such as Advanced Disposal to arrange for dumpster or pickup.

Clothing and other apparel - Check with local churches or charities that accept donations, or St. Vincent de Paul or Goodwill stores.

Rechargeable tool and cell phone batteries (Ni-CaD, Nickel Metal Hydride) . Call the Saukville Police Dept. at 262-284-0444.

Remember... Dumping oil, anti-freeze, solvents, cleaners, paint, fuel, and other solids or liquids in storm sewers is ILLEGAL and can lead to substantial fines and jail time.

TRASH-RECYCLING SERVICES PROVIDED BY ADVANCED DISPOSAL

Trash and Recycling **collection day** for the Village of Saukville is **Thursday** - Friday on weeks when a Federally-recognized holiday falls between Monday-Thursday and all municipal facilities are also closed. The following rules apply:

- Roll-out carts must be used. Any trash or recyclables placed curbside in any container other than the carts will not be collected.
- Carts must be placed curbside **by 7:00 a.m.** on pick-up day.
- Carts must face the street as indicated by the arrow, be fully accessible, and be placed side by side with a minimum of three feet of space between carts and/or obstacles.
- Recycle Collection - alternate Thursdays - collection dates can be found on the Village website, Time Warner Cable Access Channel 25, at Village Hall and Oscar Grady Library.
- All recyclables can be placed in the same recycle cart.
- Carts are the property of Advanced Disposal and must remain at the property should you move.
- Electronic devices, such as computers, monitors, printers, TVs, Fax machines, photocopiers, VCR & DVD players, cannot be disposed of in your household trash cart.
- Large Item Pick-up Service: You can arrange for special pick-up or take items to the *drop-off site at 803 North River Road, West Bend*. There is a fee for large item disposal. Contact Advanced Disposal directly (800-387-0949) for prices and information.
- **Contact Advanced Disposal for repair of cart damage. You must contact them directly at 800-387-0949.**

FIRE HYDRANT FLUSHING

The Saukville Water Department will be flushing hydrants throughout the Village Monday-Thursday between 8:00 a.m. and 3:00 p.m. **April 25th through April 28th and May 2nd through May 5th.** There may be some discoloration in your water during this process. This is iron and is not harmful. We recommend that you do not do laundry if your water is discolored. If you forget and your clothes have a reddish appearance, **DO NOT DRY THE CLOTHES**; rather rewash in cold water to remove the discoloration. Running your faucets for a short period of time will clear the lines after the flushing in your area is completed.

CROSS CONNECTION CONTROL PROGRAM

The Village's Cross Connection Inspection Program, managed by Hydro Corp Inc. (HCI), has resumed for 2016. A cross connection is a direct or potential connection between any part of the public water supply system and a source of contamination or pollution, i.e.: garden hose, dish washer, toilets, pools, lawn sprinklers. This action is necessary in order to reduce overall costs for compliance with DNR Regulation NR810.15. Hydro Corp will be contacting homeowners and businesses to arrange an inspection. There is no cost for this inspection. Each inspection takes less than 20 minutes on average for a home inspection and 45 minutes for a business.

PAYMENT OPTIONS

Online Option: Go to the website - www.officialpayments.com - click on Local; Wisconsin; Saukville, Village of; utility payment; then enter amount of payment and required information. There is a convenience fee of 2.75% for credit card use and a flat fee of \$2.75 for e-checks.

Automatic Withdrawal from Checking or Savings Account: Your quarterly payment can be deducted automatically from your selected account on the 25th of the billing month at no additional charge. Go to the Village website (Village Services tab) to download a form to sign up for automatic withdrawal. A payment plan can also be arranged if necessary. Contact Village Hall for more info.

"SMALL" LEAKS CAN LEAD TO BIG WATER BILLS

"Leaks can account for, on average, 10,000 gallons of water wasted in the home every year - enough to fill a backyard swimming pool." (source: U.S. Environmental Protection Agency)

Each person uses about 80-100 gallons of water per day, according to the U.S. Geological Survey. If you can avoid wasting some of it through common leaks, you can save money while doing something "green" for the environment. Most common leaks are easily repaired. If you're not particularly handy yourself, you can call a plumber - it will be worth the expense in future water use savings.

Here are some tips on finding leaks:

- Check your water meter before and after a two-hour period when no water is being used. If the meter does not read exactly the same, you probably have a leak.

- Place a drop of food coloring in all toilet tanks. If the color shows up in the bowl within 20 minutes without flushing, you have a leak in the tank. Leaks in toilets can double, or even triple, overall water consumption by wasting thousands of gallons a month. Leak detection kits are also available at Village Hall

PLEASE NOTE: Know where your main shut-off valves are in your residence or business and exercise them at least quarterly - they are your responsibility. There are usually two valves, typically located one above the meter and one below. Exercising them will allow you to turn off your water quickly in the event of a water emergency.

IT'S A TOILET, NOT A TRASHCAN - WHAT NOT TO FLUSH

People sometimes view the toilet as an auxiliary wastebasket - an easy place to dump all kinds of things and make them disappear with the push of a handle. Unfortunately, many of the items that often end up in the toilet can cause significant clogging problems, not only in your home's plumbing but also for the Village's sewer system and Wastewater Treatment Plant (WWTP) processes.

There are only two things that can be safely flushed down the toilet - human waste and toilet paper. Any other item has the potential to clog up the system, regardless of how easily it appears to flush.

Common items that are often flushed that **SHOULD NOT BE** are:

- Wet Wipes (baby wipes, disinfecting wipes, flushable wipes)
- Facial Tissue
- Feminine Hygiene Products
- Cotton Swabs
- Dental Floss
- Grease

Often these items do not even make it past the lateral connection from your home to the sewer system, building up and clogging the line. If these products make it to the street, they can still plug up and damage the pipes and pumps that convey sewage to the WWTP, potentially causing overflows and basement backups that can be costly to repair. If those products make it to the WWTP, they can also jam up equipment there.

To help protect the investment we all have in our homes, the municipal sanitary sewer system and the Village's WWTP, please dispose anything other than toilet paper or human waste in the garbage, not the toilet.

NOTE: Pharmaceuticals and prescription drugs also should never be flushed down the toilet or thrown in the garbage. When put down the drain, pharmaceuticals can seep back into the drinking water supply and be harmful to fish and wildlife. Wastewater treatment facilities are not designed to remove these contaminants. Local (Saukville Police Dept.) and county drop-off sites are available to safely dispose unused/unwanted drugs and pharmaceuticals. Contact your local authorities for information and guidelines.

FRIENDS OF THE LIBRARY USED BOOK SALE

Back by popular demand - The Friends of the Oscar Grady Library will be hosting their annual book sale in the community room **May 10th-14th** during regular library hours. The book sale will include hardcover books, paperbacks, children's books, and movies. All proceeds benefit the library in support of programming for all ages. Visit our website to learn about becoming a Friend of the Library.

DIGITAL MEDIAL CONVERSION LAB

The library's Digital Media Lab provides all of the equipment and training necessary to view and digitally preserve photographs, slides, and film. It is a high-functioning digital space and work room equipped with the necessary digital mechanics to process aging photographic formats such as 35-mm photographic negatives, transparency slides, aging photographs, Super-8 mm Film, hand-held camcorder home videos (VHS-C), and it can up-convert home VHS & DVD formats HD digital USB files. Contact the library for more information, to set up a time to be trained on the equipment, and to use the lab.

CHILDREN'S PROGRAMS

Children's Movies @ Your Library

Join us for showings of newly-released movies in the Library Community Room. The movies are free and are shown throughout the year, especially on early release or no school days! Stop in or visit our website for movie titles, dates, and times.

Library Lego Lab

Every 2nd Wednesday of the month through August, 3:30 - 4:30 p.m. Does your child love to build with Legos? If so, the Library Lego Lab is the place to join other Lego fans and see what he/she can dream up! We'll provide all the Legos, lab members bring their imagination. The Library Lego Lab is open to children ages seven and older and registration is not required.

1,000 Books Before Kindergarten

This free and ongoing early literacy program encourages families and caregivers to read 1,000 books aloud with their young children before they enter kindergarten. Any child from birth until he/she starts kindergarten is eligible to register. Reading together helps your child develop important pre-reading skills that provide a solid reading foundation – a key to scholastic and learning success. Stop by the Children's Dept. today to sign your child up!

MORNING & EVENING STORYTIMES - March 29th - May 3rd

Come and enjoy weekly storytimes filled with rhymes, songs, dancing, and of course, wonderful stories. Registration required. Contact the Library for complete information.

Morning Storytime is specially designed for preschoolers ages 2 - 4 years old.

Evening Storytime - kids can come dressed in their PJs and bring a stuffed animal or blanket.

Summer Reading Program - June 6th - July 29th

Make reading your super power as the library offers incentives throughout the program to promote reading during the summer! Calendars and further information will be available at the library and on our website.

TEEN AND ADULT PROGRAMS

Teen Card Club

Every Saturday the card club meets 11:00 a.m. -1:45 p.m. for informal card playing, movies, and socialization. Gaming skills are not required and the members love to teach their games to others. Meetings take place in the community room. Call or stop by the circulation desk for more information.

Adult Book Discussions & Online Book Discussion

Join us one Tuesday each month for a discussion on selected fiction and non-fiction titles! Our book club always welcomes new members and books are available for checkout at the circulation desk.

Adult Coloring Club

Take time to simply unwind as you listen to soothing music...relax, renew, enjoy - 2nd and 4th Thursday of each month, 6:30 - 7:30 p.m. One of the newest trends for adults is coloring. Studies show coloring can have a calming effect on the adult mind and help to promote overall wellness. The Library will supply the pencils and coloring sheets. Please sign up at the circulation desk.

Recipe Club

Calling all cookbook/recipe lovers and food enthusiasts! Gourmet chef skills are not required! Join us the first Tuesday of each month from 6-7:00 p.m. as we test out fun new recipes. It is a great way to share and learn from others while testing out new foods. Bring a sample of something that goes with the specific theme of the month and a copy of the recipe to share with the group. Registration is required. Call or stop by the circulation desk for more information.

LICENSE PLATES - VEHICLE REGISTRATION - SALVAGE VEHICLE INSPECTIONS

The Saukville Police Department issues license plates and vehicle registration for passenger cars, trucks, and motorcycles. Service is available Monday - Friday from 8:00 a.m. to 6:00 p.m. Registration requirements: signed title, release of lien paperwork (if applicable), and identification. Salvage vehicle inspections are done by appointment only. For more information, please call the Saukville Police Department at 284-0444.

MED-RETURN COLLECTION UNIT

Please do not discard old medications by flushing them down the toilet or throwing them in the trash. Save them in their original containers in a safe place. Bring them to the Saukville Police Department for proper disposal in the Med-Return Collection box, Monday through Friday during normal business hours. Call the Police Dept. for guidelines on what is accepted for drop-off.

CURFEW ORDINANCE

The Village of Saukville has an 11:00 p.m. curfew for minors under the age of 16 years. Parents will be held accountable for any vandalism that their children do to Village property. Please know where your children are and urge them to obey the Curfew Law.

BICYCLE LICENSING

For a \$3.00 fee, the Police Department will issue a non-expiring bicycle license. Pick up a registration form at the Police Department. Village Ordinance requires all bicycles operated on Village streets, alleys, or public highways be licensed.

BECOME A MEMBER OF THE POLICE RESERVES

The Village of Saukville Police Dept. is seeking dedicated individuals to become part of our [Police Reserves](#) team. For more information, call the Saukville P.D. at 284-0444.

SAUKVILLE POLICE DEPARTMENT IS PART OF THE WISCONSIN CRIME ALERT NETWORK (WCAN).

WCAN quickly alerts residents about crime or criminal activity that may affect them, in the form of emails, faxes, or text messages. For more information and to register for this service, please visit the WCAN website at www.wisconsincrimealert.gov or call the Crime Alert Network office at 608-240-3597.

Remember to join us for **National Night Out** on **Tuesday, August 9th** at Grady Park. Watch for more details.

RECREATIONAL BURNING

As spring turns into summer the Saukville Fire Department would once again like to remind all Village residents to obey Village Ordinances regarding residential recreational burning. Violators may receive a citation and/or bill for fire department services if we respond to complaints of illegal burning.

Residential Burning Ordinances:

§101-17 B(1)(a) Cooking grills designed and sized for normal residential outdoor use will not be permitted to be used or stored above the first story of any building, including on a balcony, raised porch or platform. If you have a grill on a balcony please remove it.

§101-17 B (1)(e) Recreational campfires in a covered or approved container or device requires written permit from the Fire Chief. Permits are available at the Village office during normal business hours. Recreational campfire devices are not allowed on combustible (wooden) decks. In-ground fire pits must be pre-approved by the Fire Chief.

Open Burn Permits can be obtained at Village Hall for a \$15 lifetime fee. Permit applications can be found on the Village Website under the Your Government tab.

VOLUNTEER FIRE FIGHTERS AND EMTS WANTED

We are always looking for quality individuals who wish to serve their community as a paid, on call Fire Fighter or EMT. If you are interested, please stop at the fire house on any Monday night between 6:30-7:00 p.m. The application can also be found on the Village website, or you can pick one up at Village Hall. Questions? Call the Fire Dept. at 284-5800 - leave a message there if no one is available.

MARK YOUR CALENDAR FOR THESE FIRE DEPT. EVENT DATES:

August 20: Annual Pleasant Valley Auto/Saukville Fire Poker Run
September 11: Annual Pleasant Valley Auto Body/Saukville Fire Department Car Show in Grady Park

October 2-8: Annual Fire Prevention Week
October 8: Saukville Fire Dept. Open House

Have a happy and safe summer.

CHARACTER COUNTS!

Port Washington and Saukville Communities
