

**** UTILITY COMMITTEE MEETING ****

June 14, 2022

**Saukville Wastewater Treatment Plant
1600 Cottontail Lane
SAUKVILLE, WISCONSIN 53080**

The meeting was called to order at 5:00 p.m. by Scott Fischer

Statement of Public Notice was given by Dawn Wagner, Village Administrator.

Members Present: Scott Fischer, Pete Janus, and Richard Belling

Also Present: Dawn Wagner, Ray Hartmann

2021 Compliance Maintenance Annual Report (CMAR)

Hartmann gave an overview of the 2021 CMAR, the plant received all A's in all operational sections.

Janus/Belling recommended to the Village Board the approval of the 2021 CMAR.

WASTEWATER SYSTEMS UPDATES

Plant upgrade progress:

- Filter building wall pours are on schedule.
- Administration building office area flooring and painting are 90% complete.
- J.H. Heating has started installing the new heaters in the press building
- Scada upgrade started Monday, June 13, 2022.
- Roofing should be completed 1-2 weeks from June 14, 2022.
- Finishing up shop drawings for Approval.
- More mechanical work will be starting in the next few months.

WATER SYSTEM UPDATES

Ruekert-Mielke is in the process of finalizing the report for the Water System Master Plan update.

Iron Filter Pilot study is finished, Water Surplus is finalizing the report.

Ruekert-Mielke is working with Water Surplus to obtain a cost estimate based on their recommendation for an Iron filter building addition.

Ruekert-Mielke and Water Surplus will both be giving short presentation on findings and recommendations at the July 12th meeting.

The interior wet (where the water is stored) of the water tower is completely primed. Approximately 3 weeks of work left on the project.

OTHER MATTERS

Wastewater plant had its yearly operational inspection by the DNR on June 14, 2022.

The district engineer said he wished all plants operated & looked like Saukville.

ADJOURNMENT

Belling/Fischer made a motion to adjourn. Motion carried at 5:25 p.m.

Ray Hartmann
Wastewater Superintendent
